DM-321

## 1

## DEPUTIES\* MEETING

	Monday, 2 August 1954	
	PRESENT: Messrs. Dulles, Wisner (part of Meeting), Amory, Colonel White (part of Meeting), Messrs. Kirkpatrick, Helms, Sheldon and	25X
5X1 Г	Mr. Dulles:	
5X1	d. Noted a cable (OUT 65869) containing background information on the case, which was sent to stations, and directed that in the future book messages of this magnitude be personally cleared by either DD/P or COP. The Director said if necessary this type of message should also be brought to his attention prior to dispatch.	25X <sup>2</sup>
:5X1	Referred to a cable from the Senior Representative.  (IN 32670) indicating that is returning to	25X
	the U.S. with the intention of seeing him, and stated he did not wish to see this individual and any contact with him should be for the purpose of holding technical discussions only. The	
5X1	Director said we should do all possible to prevent this man from returning to	
	f. Noted he had read report on foreign documents now in U.S. possession, and stated he was still concerned over the fact that a large portion of this material had not been translated, catalogued, etc., and indicated his intention of placing this problem before the IAC. Mr. Kirkpatrick undertook	
NEV4	g. Noted that Dean Rusk was mildly protesting changing the	
25X1	name of and asked Mr. Helms to determine the status of this proposed change.	

Mr. Wisner:

Reported he had had a long session with respecting the report he is writing as a result of his trip to the Far East with General VanFleet, and stated this report contained information of vital interest to CIA, particularly as it refers to Korea and Formosa. Mr. Wisner suggested that DD/I might like to see this report in connection with his Planning Board activities.
